*FIRST WAY I WAS  
ASKED TO DO  
THEM.*

Dear Mr. D'Angelo:

On September 20, 2019, we requested from your former attorney, Michael Benz, Esq., supplemental discovery responses as a result of previously deficient answers. However, as of to date, we never received any supplementary response. We also requested that your attorney provide you with certain authorizations for you to sign to obtain copies of your medical records, but we have not received those as well.

I now request you execute and return the following original authorizations, which were previously provided to your former attorney, so that we may obtain copies of your medical records for the following providers identified in your 50-h testimony and medical records received thus far:

1. Medicaid;
2. Niagara County Jail;
3. Northpointe Council, Inc.;
4. Beacon Center;
5. White Deer Run (please include the location information);
6. Niagara County Mental Health Services;
7. Oxford House;
8. Community Health Center of Buffalo;

For your convenience, I am enclosing authorizations, in the form requested, for these providers. I am also enclosing an authorization for Mohawk Correctional Facility and Fidelis Care. Kindly sign, initial, and fill out the authorizations where indicated in yellow highlighter.

Re: D'Angelo v. City of Lockport  
NYMIR File No.: CLKPT-2017-040-001

Dear Mr. D'Angelo:

We are in receipt of the authorizations you provided for Clearview Treatment Services, White Deer Run, and Fidelis Care.

However, we have been informed by one of your providers that they require the alcohol/drug treatment portion of the HIPAA authorization to be initialed in order to acquire your records. Therefore, I am enclosing new authorizations for Clearview Treatment Services and White Deer Run. Please sign and initial where indicated, including the alcohol/drug treatment portion of the authorization.

Additionally, we have been informed that Fidelis Care requires the authorization be notarized in order to release your records. The authorization you provided us was not notarized. Therefore, I am enclosing a new authorization for Fidelis Care. Please sign, initial, and date where indicated. Additionally, please have the authorization notarized where marked.

We request these authorizations be returned to this office within 20 days.

Very truly yours,
